

CURRICULUM VITAE

Sylvia W. Norton, M.D. L.H.D. (hon)

Address:

900 East Fayette Street, Syracuse, New York 13210

Telephone and Fax:

315-440-8302 phone

315-475-9948 fax

Internet: www.nortoneyelaser.net

e-mail: norton@cstdsl.net

Citizenship:

U.S.A.

Place of Birth:

Rochester, New York

June 25, 1942

Degrees Held:

- | | |
|-----------|--|
| 1990 | Lemoyne College,
Honorary Doctor of Humane Letters, L.H.D. degree |
| 1973-1975 | Upstate Medical Center State University of N.Y. ,
M.D. degree |
| 1968-1973 | Dalhousie University, Halifax, Nova Scotia, Graduate student in
biochemistry, freshman and sophomore medical student. |
| 1966-1968 | American University, Washington, DC.
B.S. degree, distributed science major (biology, chemistry and |

physics)

Professional Certification:

1980 Diplomat and Fellow, American Board of Ophthalmology

Licensure:

New York State 132600

Professional Training:

1979-1980 Park Ridge Hospital, Rochester, N.Y.
Fellow in Corneal and Anterior Segment Disorders
Dr. James Aquavella, Director

1976-1979 Upstate Medical Center, Syracuse, N.Y.
Resident in Ophthalmology

1975-1976 Rochester General Hospital, Rochester, N.Y.
Resident in Internal Medicine

Employment Experience 1980-present

Corneal and Consultative Ophthalmology for Eye Consultants of
Syracuse, P.C., Syracuse, NY
Employee 1980-1982, full partner 1982-1987

Cornea and General Ophthalmology at Syracuse Community Health
Center, Syracuse, NY
Founder and Director of Visual Services part-time 1980-1987

Cornea, Consultative Ophthalmology and Refractive Surgery for Sylvia
W. Norton, M.D., P.C, Syracuse, NY
President and Owner of Professional Corporation
1987-2009

Lasik Provision
Ophthalmologist
2009

Teaching Activities:

Proctor, Excimer Laser PRK

Peter Kansas, M.D. Certification Oct. 1996
Alan Harris, M.D. Certification March 1997
Barry Rabin, M.D. Certification April 1997
George Temnycky, M.D. Certification June 1997
Richard A. Rosenberg, M.D. Certification July 1997
Ilan Reizes, M.D. Certification Jan. 1998

Optometric Training, Excimer laser PRK Co-Management

T. Young OD; S. Olhbaum, OD; P. Schwartz, OD 1996-1997

Fellowship Instructor

Jerva Eye Center/University of Dakar (Senegal) Dept. of Ophthalmology
Fellowship Program 1999
Fellow: Alassane Wade, M.D

Jerva Eye Center/University of Dakar (Senegal) Dept. of Ophthalmology
Fellowship Program 1995
Fellow: Erick Roth, M.D.

Externship Professor/Advisor

Jerva Eye Laser Center/University of Ottawa Eye Institute
Students:

1998: J. Moranci, J Darling, N. Choueri
1997: D LaGuard, M Holden-Khan, R. Baines

Research projects:

2003	Principal Investigator, Clinical Trials for Optivision Laser Presbyopia Reversal, Surgilight, Inc.
2001	Principal Investigator, Multi-center, Randomized, Double-Masked Vehicle-Controlled, Parallel Group Study Evaluating the Safety and Analgesic Efficacy of Ketorolac 0.4% Ophthalmic Solution post PRK, Allergan, Inc.
1999-2000	Pictation system, Welch Allyn, beta test site

1998-1999	Re-See-vit, Veatch Ophthalmic (Optaware 98), beta test site
1998	Tearscope Analysis System™, Keeler Instruments (England)
1994-1998	Co-investigator for Excimer Photokeratectomy Surgery, VISX 2020B and 2020C in Ottawa, Ontario
1991-2009	Founder and Medical Director, James W. Jerva Eye Laser Center, Syracuse, New York
1991-1994	Principal Investigator for the Excimer Laser FDA Clinical Trials for Phototherapeutic and Photorefractive Keratectomy Surgery, VISX 2015 Laser

Associated Ophthalmological Positions:

Medical Monitor, Canadian Clinical Trials for Laser Presbyopia Reversal Surgilight, Inc.
2005-2006

President, West African Eye Foundation, Inc. (WAEF)
April 1999-2009

Adjunct Professor, Ophthalmology, University of Ottawa, Faculty of Medicine
1994-present

Medical Director, James W. Jerva Eye Laser Center 1991-2009

Previous Appointments:

1981-1999	Medical Director, Central New York Eye Bank and Research Corp.
1984-1995	Associate Professor of Clinical Ophthalmology, Upstate Medical Center, State University of N.Y.
1982-1984	Assistant Professor of Clinical Ophthalmology, Upstate Medical Center, State University of N.Y.
1980-present	Attending Physician at Veteran's Administration Hospital until 1991, Crouse Irving Memorial Hospital 1980 to present, Upstate Medical Center until 1994 and St. Joseph's Hospital until 1992, Lewis County General Hospital 1992 to 1997

- 1978-1981 Health Professions Advisory Committee at Syracuse University
- 1976-1993 Interviewer for Admissions Committee of Upstate Medical Center

Honors and Awards:

- 2009 Freedom Award, Syracuse/Onondaga NAACP
Presented, May 28, 2009, Syracuse, NY
- 2007 CBS 5 WTVH Women In Leadership Award Recipient
Presented, March 10, 2008, Syracuse, NY
- 2001 Physician Service Award: For Physician Service to Other Communities/Countries, Onondaga County Medical Society
- 1999 10-Year Faculty Award, Joint Commission of Allied Health Personnel in Ophthalmology
- 1998 Women of Achievement: State of New York Award at the Sesquicentennial Women's Rights Convention: Proclamation from Gov. George Pataki
- 1995 Quality Service Honor Roll, Crouse Irving Memorial Hospital
- 1993 Lifetime Membership, Girl Scouts of America
- 1993 Citizen of the Year Award (Omega Psi Phi Fraternity), Syracuse, New York
- 1992 SMART Award (for Science, Math and Related Technology) from Girls, Inc.
- 1990 Doctor of Humane Letters, Lemoyne College
- 1981-1988 Physician's Recognition Awards, Am. Med. Assoc.
- 1984 The Post Standard's
Woman of Achievement Award in Medicine
- 1981 Trail Blazer in Medicine Award, National Organization for Women

1979	Women of Achievement (Medicine), Delta Sigma Theta
1974	Leon G. Berman Scholarship
1970	Dalhousie Scholarship
1970-72	President of Medical School Class, Dalhousie University

Current Hospital Appointment:

Crouse-Irving Memorial Hospital, Syracuse, New York

Scholarly and Professional Activities:

2005-2006	Medical Monitor for Canadian Clinical Trials Laser Presbyopia Reversal, Surgilight, Inc.
1999-present	Founder and President, West African Eye Foundation, Inc. (WAEF)
1998-2001	Board of Trustees, Lemoyne College, Syracuse, NY
1996-1998	Board member, Syracuse Symphony
1994-1998	Co-investigator for Excimer Photokeratectomy Surgery, VISX 2020B and 2020C in Ottawa, Ontario
1991-present	Founder and Medical Director, James W. Jerva Eye Laser Center, Syracuse, New York
1991-1994	Principal Investigator for the Excimer Laser FDA Clinical Trials for Phototherapeutic and Photorefractive Keratectomy Surgery, VISX 2015 Laser
1989-1996	Grants Review Committee, Eye Research Foundation of Central New York, Syracuse, New York
1989-1990	Quality Assurance Committee for Ophthalmology, Syracuse, New York

1988-1990	President, Central New York Eye Bank and Research Corporation, Syracuse, N.Y.
1988-1990	Lovastatin Study for Merck, Sharpe and Dohme in collaboration with Dr. Anis Obeid
1989-1990	Intraoptics Opacity Meter Study for Intraoptics Company
1988-1992	Director of Eye Care Services, Syracuse Community Health Center, Syracuse, N.Y.
1988-1991	Attending Eye Consultant, Van Duyn Home and Hospital, Syracuse, N.Y.
1988	Member of Board of the Eye Research Foundation of Central New York, Syracuse, N.Y.
1984-1988	Medical Advisory Board, New York State Athletic Commission, New York, N.Y.
1984	Communications Committee, Onondaga County Medical Society
1987-present	Board of Managers, Madison Irving Medical Center, Syracuse, N.Y.
1983-1989	Medical Advisor, Eye Bank Association of America
1980-1999	Medical Director, Central New York Eye Bank and Research Corporation, Syracuse, N.Y.
1967	Georgetown University, Washington, DC. Research Assistant to Dr. Melvin Beltcher in Biochemistry
1966-1967	Melpar, Inc., Falls Church, Virginia Laboratory Assistant in tissue culture, processing and research
1965	Howard University, Washington, DC. Laboratory Assistant in Endocrine Laboratory

Graduate Student Supervision

1995:	Davenil Denis, SUNY Health Science Center
1995-1996:	Jack Zamora, Tulane University
1998:	Adrian Johnson, Syracuse University

Publications summary:

Chapters in Books:

Chapters in Books:

A Tearscope Technique for Detection and Monitoring Dry Eyes in
Photorefractive Keratectomy (PRK)
Operative Techniques in Cataract and Refractive Surgery, Vol 3, No 2 (June)
2000 p. 88-93. Sylvia W. Norton, M.D., L.H.D.
W.B. Saunders, 2000

S. Norton, M.D.

“PRK Causes Dry Eye”-an experience with Genteal in Ocular Surface Diseases
p. 146-151

Edited by J. Murube-del-Castillo, M Rolando, U. Bello
Ciba Vision AG, Switzerland, 1999

Epikeratophakia and Hexagonal Keratotomy

S. Norton, T Baker, J Zamora.

Corneal Surgery: Techniques and Tissue

Edited by Frederick S. Brightbill, M.D.

Mosby Inc. St. Louis, MO, 1999

Keates, R.H., Slade, S., Russo, J., Norton, S., et al.

Managing and Marketing Your Refractive Surgery Practice

Rx for Success, Edited by R. Bruce Grene, EMK Publishing Inc.,
New York, NY, 1993

Norton, S.W., and Streeten, B.W.

Corneal Rupture in the Neonate: Management and Pathology

The Cornea: Transactions of World Congress on Cornea III, Ed. by H.D.
Cavanaugh, Raven Press, New York 1988, 351-358

Publications in Refereed Journals:

Invited Presentations:

PRK Today: An Overview
National Medical Association
Honolulu, HI, August 8, 2007

Malpractice in Ophthalmology
National Medical Consultants Conference
Long Island, NY June 30, 2007

Laser Presbyopia Reversal-- US Clinical Outcomes

Panelist
Surgilight Investigator's Meeting
Chicago, IL, October 16, 2005

7th Annual Health Information Forum

Guest Speaker
Co-sponsored by National Council of Negro Women Inc. and Syracuse Area
Black Nurses Association
Southern Missionary Baptist Church
Syracuse, NY
November 6, 2004

PTK for keratoconus using tear film stabilizing therapy

ASCRS 2001
San Diego, CA
May 1, 2001

LASIK Complications

Panelist (moderator)
ASCRS 2001
San Diego, CA
April 28, 2001

Modern Phacoemulsification Techniques

Senegalese Ophthalmological Symposium
Dakar Senegal
Jan 5, 2001

Eye Banking Today

Senegalese Ophthalmological Symposium
Dakar Senegal
Jan 5, 2001

Enhancement of Visual Results in Photorefractive Keratectomy with Moisture
goggles and Punctal Plugs

ASCRS 2000 Scientific Session
Boston, MA
May 23, 2000

LASIK and Dry Eye (Roundtable discussion sponsored by Eagle Vision)

Royal Hawaiian Eye Meeting 2000

Maui, Hawaii
January 18, 2000

Why Do PRK/LASIK?

Co-Instructors: Sylvia W. Norton, M.D, Marc LaFontaine, COMT
Annual Continuing Medical Education Program for Joint Commission of Allied
Health Personnel in Ophthalmology
Orlando, FL
October 27, 1999

Corneal blindness in the developing world

Sally Letson Symposium
Ottawa, Ontario
Thursday, September 23, 1999

Does PRK Cause Dry Eye Syndrome?

Ciba Vision Dry Eye Symposium
Vienna, Austria
Saturday, April 17, 1999

Does PRK Cause Dry Eye Syndrome?

American Society of Cataract and Refractive Surgery (ASCRS)
Seattle, WA
Monday, April 12, 1999, 4:17 p.m.

Visual Outcome of High Myopia After PRK by the same Surgeon for -10.0 to
-25.5 D

American Society of Cataract and Refractive Surgery (ASCRS)
Seattle, WA
Saturday, April 10, 1999 4:52 p.m.

Laser Surgery for Nearsightedness: An educational seminar

Fraternal Order of Police Central New York Lodge #315
February 14, 1999)

Why PRK?

Co-Instructors: Sylvia W. Norton, M.D, Brian Lorimer, C.O.M.T.
Annual Continuing Medical Education Program for Joint Commission of Allied
Health Personnel in Ophthalmology
New Orleans, LA
November 8, 1998

Potato Gun Ocular Injuries

University of Ottawa Eye Institute, Grand Rounds
December 10, 1997

Laser Surgery for Nearsightedness: An educational seminar
Fraternal Order of Police Central New York Lodge #315
November 19, 1997

Excimer Laser for Refractive and Therapeutic Keratectomy. Faculty JCAHPO,
Annual Continuing Medical Education Program for Ophthalmic Medical
Personnel. Didactic session San Francisco, CA. October 29, 1997

Excimer Laser Phototherapeutic Keratectomy for Corneal Edema.
7th International Conference of the Pan-American Association of Eye Banks
(APABO)
San Francisco, CA. October 26, 1997

Excimer Laser Pan-Keratectomy for Bullous Keratopathy. Eye Bank
Association of America Scientific Session. San Francisco, CA.
October 25, 1997

Patient selection and evaluation for refractive surgery.
The Present and the Future of Refractive Surgery,
Sally Letson Symposium
September 25-27, 1997, Ottawa, Ontario

Excimer Laser for Refractive and Therapeutic Keratectomy.
Faculty JCAHPO, Annual Continuing Medical Education Program for
Ophthalmic Medical Personnel. Didactic session
Chicago, IL. October 30, 1996

Longitudinal Analysis of Visual Acuity Following PRK for Myopia: Impact of
Low-Contrast Targets and Dilated Pupils
E. Casson, Ph.D.; W. B. Jackson, MD, FRCSC; G. Mintsoulis, MD;
P. Agapitos, MD; S. Norton, MD; R. Munger, Ph.D.; U A Strolenberg
American Academy of Ophthalmology, October 31, 1996

Excimer Laser Photokeratectomy using the VISX Star,
Program Director and Lecturer.
James W. Jerva Eye Laser Center, Syracuse, New York
June 14-15, 1996

Visual Acuity Improvements in High Myopic Anisometropes after Excimer
Laser PRK.
S.W. Norton, W.B. Jackson, G. Mintsoulis, J. Zamora, E.J. Casson.
Symposium on Cataract, IOL and Refractive Surgery

ASCRS, June 1, 1996

Excimer Laser Phototherapeutic Keratectomy

Presented to the CNY Claims Association

March 7, 1996

International Symposium Moacyr Alvaro-Advances in Refractive Surgery;

Feb. 9-10, 1996. Sao Paulo, Brazil.

Results of PRK for myopia: Taunton vs. VISX 2020B. presented at Excimer Laser Surgery: a comprehensive course for ophthalmologists, optometrists and technicians, University of Ottawa Eye Institute. December 8-9, 1995

Patient selection, informed consent, medicolegal aspects and optometric co-management. presented at Excimer Laser Surgery: a comprehensive course for ophthalmologists, optometrists and technicians, University of Ottawa Eye Institute, December 8-9, 1995

Post-operative complications and their management. presented at Excimer Laser Surgery: a comprehensive course for ophthalmologists, optometrists and technicians, University of Ottawa Eye Institute, December 8-9, 1995

Establishing an Excimer Laser Center. presented at Excimer Laser

Surgery: a comprehensive course for ophthalmologists, optometrists and technicians, University of Ottawa Eye Institute,

December 8-9, 1995

Excimer Laser Surgery. presented to Lewis County General Hospital Physicians and Staff. Lowville, NY. November 16, 1995

Excimer Laser for Refractive and Therapeutic Keratectomy. Faculty JCAHPO, Annual Continuing Medical Education Program for Ophthalmic Medical Personnel. Didactic session Atlanta, GA. October 31, 1995

Faculty JCAHPO, Annual Continuing Medical Education Program for Ophthalmic Medical Personnel. Excimer Laser for Refractive and Therapeutic Keratectomy. Didactic session Atlanta, GA.

November 1, 1995

Excimer Laser Phototherapeutic Keratectomy presented to the Canadian Society of Cataract and Refractive Surgeons. Victoria, BC

June 24-25, 1995.

Excimer Skills Training Course - American Academy of Ophthalmology. San Francisco, California, November 1, 1994.

Excimer Laser Phototherapeutic Treatment for Bullous Keratopathy. Eye Bank Association of America Scientific Session San Francisco, CA October 29, 1994

JCAHPO, Annual Continuing Medical Education Program for Ophthalmic Medical Personnel. Excimer Laser for Refractive and Therapeutic Keratectomy. Didactic session San Francisco, CA. November 3, 1994

History of Refractive Surgery Guest Lecturer, National Medical Association Meeting. July 23, 1994.

Excimer Laser Update Guest Lecturer, National Medical Association Meeting. July 23, 1994.

Phototherapeutic and Photorefractive Keratectomy - with the VISX 20/15 Laser The Syracuse Experience 44th Ophthalmology Review Course. Syracuse, NY, December 1993.

Excimer Update, National Medical Society meeting, Ophthalmic Division. San Antonio, Texas, July 1993.

Excimer Laser, The Cutting Edge - Program Director and lecturer. Syracuse, NY, June 19, 1993

Computerized Corneal Topography and Excimer Laser Update, Presented at The Cornea Conference, University of Rochester, Rochester, New York, March 19, 1993

Excimer Laser Surgery - presented to the Optometric Association, Syracuse, NY, March 10, 1993

The Cutting Edge - Excimer Laser Photorefractive Keratectomy Presented at the Central New York Eye Bank & Research Corp. Annual Meeting, Syracuse, NY, January 25, 1993

Epikeratophakia and Restoration of Vision in Severe Trauma

Using Corneal Transplants, Vitreo-Retinal Surgery and the Eckardt Temporary Keratoprosthesis - presented at the New York State Transplant Symposium, Syracuse Marriott, Syracuse, New York, May 1990.

Transplantation Information Update - presented at the American Red Cross, Syracuse, New York, February 1990.

Specialized Corneal Procedures - presented at the Ophthalmic Assistant Lecture Series, SUNY Health Science Center, Syracuse, New York, January 1990.

Acanthamoeba Keratitis and Recurrent Corneal Erosions -presented at the Corneal Conference, Albany Medical Center, Albany, New York, January 1988.

Complications of Corneal Transplant Surgery - presented at The Joint Commission on Allied Health Personnel in Ophthalmology
Chicago, Illinois, November 1983
Atlanta, Georgia, November 1984
Las Vegas, Nevada, October 1988
New Orleans, Louisiana, November 1989
Atlanta, Georgia, October 1990.

Corneal Rupture in the Neonate – presented at the World Congress on Cornea III
Washington, DC. 1987.

Special Visual and Refractive Problems - presented at the 3rd Annual Seminar for Ophthalmic Personnel
Syracuse, New York, 1983.

Treatment of Recurrent Corneal Erosions - presented at the 3rd Annual Ophthalmology Seminar
Rochester, New York, June 1983.

Eye Banking: An Overview - presented to the Joint Commission on Allied Health Personnel in Ophthalmology
Atlanta, Georgia, November 1981
San Francisco, California, November 1982
Chicago, Illinois, November 1983.

Eye Banking: Corneal Transplants - presented at the 2nd Annual Seminar for Ophthalmic Personnel
Syracuse, New York, 1982.

Anatomy and Physiology of the Anterior Segment of the Eye -presented at the 1st Annual Seminar for Ophthalmic Personnel
Syracuse, New York, 1981.
